

## 2016 Sale Entry

Time has come once again for me to send out the entry forms for the forthcoming Sales. The Society will be using the same format for the entry form – you can use this form to enter to any of the sales but please remember to **clearly write down the sale to which you are entering your sheep.** Please complete and answer **all** questions as the information will be included in the sales catalogue. **Also remember to sign the entry form otherwise your entry will not be accepted.**

If you want to download copies of the entry form please go to  
<http://www.lleysheep.com/salesevents/saleconditions/>

As in the past there are two sections at each sale - one section for maedi visna accredited sheep only and the other section for ***all*** other sheep (this section to include maedi visna supervised flocks, i.e. flocks which have not received the maedi visna accredited status).

**NOTE TO THOSE MEMBERS WHO WILL BE SELLING MAEDI VISNA ACCREDITED SHEEP AT THE SALES:** Please complete a valid certificate of accreditation issued by SAC and hand it to one of the Auctioneers' staff **before** unloading your animals.

**REMEMBER! - NO M.V. FORM - NO SALE** (N/a for Rosscommon Sale)  
**FOR BALLYMENA SALE ONLY – NO SCRAPIE CERTIFICATE – NO SALE**

The Society will not charge an entry fee at any Sale. Every member is therefore asked to consider carefully before selling their stock from home – support the official sales!

**Please note the closing dates for entering to the Sales**  
**AND EVERY MEMBER MUST ADHERE TO THESE DATES**  
**NO LATE ENTRIES ACCEPTED**

**NOTE: The entry form should be sent to me and not to the Auctioneers.** Thank you for your co-operation. (On a personal note – **please remember to affix the right amount of postage on the envelope** as insufficient postage delays the delivery of your entry to me – **a large envelope needs a stamp equivalent to that size**).

***Please therefore complete the paper work straight away and post the entry forms to me in good time before the closing date.***

Please note:

- (a) All animals (this means ewes, ewe lambs and rams) presented for sale **must** be registered prior to the closing date. There will be spot checks at the sales this year to ascertain whether all sheep have been registered before the sale.
- (b) **Remember to enclose the pedigree certificates for the rams entered.** As the inspection dates for some venues is late it is anticipated that the pedigree certificates for those yearling rams will not be sent out in time for you to enter – if you want to send in your entry forms before receiving the pedigree certificates could you please give me a ring to hold back those certificates for the rams entered for the sale.
- (c) If you wish to enter a **ram lamb** to one of the sales then please do so in the usual manner – fill in the enclosed form and the animal will be inspected on the morning of the sale. You must understand that should this ram lamb fail then he will **not** be allowed to be sold through the ring.  
Please use the same form (enclosed with this letter) if you wish to have your ram lambs inspected at a later date – the deadline for receiving applications to provisionally register ram lambs is 30<sup>th</sup> November, 2016.
- (d) All members will have the opportunity to know the reason why his/her animal(s) was/were rejected by the Panel/Inspector. This information will be available by one of the Officials at the sale, immediately after the Panel/Inspector has/have completed his/their work.
- (d) Refer to the sales catalogues for commencement of sale and by what time the sheep should be penned.
- (f) In the event that a Vendor is unable to bring any females to a sale, then that Vendor will only be allowed to sell **one ram** at that sale (not the whole consignment). A Vendor presenting a reduced number of females at any one sale must comply with the existing sliding scale for the number of rams allowed (sliding scale as seen on the back of the entry form).
- (g) The Society encourages members to declare their genotype results of the ram in the comment box on the ram form. The Society will only recognise official DEFRA approved testing.

- (h) Enclosed is a polite reminder on sheep health at official Society sales – please have a quick read!

##### **REGISTRATION OF EWE LAMBS**

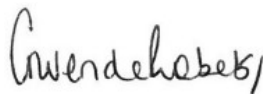

A form has already been sent out to you to register this year's crop of ewe lambs – this can be done online via the Society website, on e-mail through spreadsheet or in paper form. Once I have received the form with the appropriate fee confirmation will be sent back to you with the numbers which you have given me and it is imperative that you check this carefully and if there are any corrections to be made, then please let me know immediately.

**The closing date for registering ewe lambs born in 2016 remains the same, 31<sup>st</sup> December, 2016. However if you are selling ewe lambs at one of the official sales then you **must register these at the same time as you are entering your sheep to the sales and tagged according to DEFRA and Society rules.****

I hope to meet you all at the Lleyn sales, please make every effort to support the Society in order to secure the continued success of your chosen breed.

### **2. SHEARING, TRIMMING AND COLOURING OF WOOL**

It is brought to the attention of all Vendors that:

- (ii) **NO TRIMMING** of male or female sheep prior to the Sale is allowed.
- (iii) The Society discourages artificial colouring of wool.

### **3. UNOFFICIAL SALES OF STOCK**

Your attention is drawn to the fact that the practice of selling rams from the backs of vehicles at Auctioneers' premises during official Sales is prohibited by the Society. The Auctioneers have agreed that any Vendor selling sheep unofficially at the Society Sales will be asked to leave the premises. You are also reminded that, in pursuing this practice, you are in contravention of Defra (or equivalent) Rules.

### **4. ANIMAL HEALTH**

Vendors with sheep showing signs of any contagious disease at any sale will be asked to remove the sheep from the market premises immediately and those sheep will not be offered for sale. Where necessary the whole consignment may have to be removed. If a vet is called, and supports the Society decision, the fees incurred will be the responsibility of the vendor.

### **5. SELLING SHEEP**

Members are encouraged to sell their sheep in larger lots as purchasers are looking for a number of animals.

### **6. BALLYMENA SALE ONLY**

Exhibitor must pay a fee on sale day to cover veterinary charges needed to comply with DARD export regulations.

### **7. RAM GUARANTEES**
