

Signet recording costs reduced

Signet

Signet recording will be cheaper in 2017

Signet has a new fee structure for Lleyn breeders to encourage online data entry.

Fees will be £50 lower for a 50-ewe flock and £100 lower for a 100-ewe flock.

New Lleyn information in 2017

- Guidelines for scanning have changed. Lleyn breeders can now scan younger, well grown lambs
- New EBVs for longevity, age at first lambing and saliva IgA
- New Lleyn breeding index
- Inbreeding values and inbreeding software are available online.
