

Incheoch

Flock 894

Functional Efficient Robust

'We like ewes that are attentive mothers, rear 2 good lambs time and again, are moderate sized and easy to keep, and whose lambs hit spec. Our breeding programme is designed to progress these traits.'

WORKING GENES

11th On Farm Ram Sale
THURS 6TH SEPT 2018
90 hardy & active
Texel & Lleyn rams

First sons of Bank Farm Equity (right) sell at
WORKING GENES'18— his top 5% Maternal
ebv, with good wean weight/low mature
weight spread gives a well balanced top 10%
index, and worm resistance to boot.
