## **SHEARLING RAM REGISTRATION**

Remember - All rams presented for inspection must be bare clipped after the 1st May, and before the date of inspection.

### **RAM NAMES**

Ram names are optional. If you choose to name your ram, the name must begin with the correct, Society-approved letter for the specific year:

Ram Born	Registered as Shearling Ram	Initial Letter
2023	2024	M
2024	2025	N

Chose from one of the following three options to register your Shearling Rams:

### **Option 1 - Online**

Simply click the green button & follow the instructions on the screen on the Society Website or go directly to <https://breeds.grassroots.co.uk/LLEYN>

### **Option 2 - Emailing a spreadsheet**

This spreadsheet can be created manually or via your on-farm software. It is recommended that you speak to the Society Office if creating for the first time to help you set off on the right track. Tip: tag number format matters

This is an example of how a RAM REGISTRATION SPREADSHEET EXAMPLE should look like when completed

Society Ram Ear Tag No	Ram UK Number or IE Number	Ram Name	Sex (M)	Date of Birth (DD/MM/YYYY)	Sire UK Tag or IE Tag	Dam UK Tag or IE Tag	Litter size (1/2/3/4)	Signet (Y/N)	DNA (Y/N)

You can download a Ram Registration Spreadsheet template from the Society website – Ram registration page

Use this RAM REGISTRATION SPREADSHEET TEMPLATE to enter your Lleyn Rams Registration details.

Please save the spreadsheet with your name and flock number

### **Ewe Lamb Registrations (Form RE1)**

Enclosed is information for you to register this year's (2024) crop of ewe lambs. You can do these registrations online or via a spreadsheet or sending the paper form (note earlier closing date).

- if you are selling ewe lambs at one of the official sales then you must register these at the same time (or before) you are entering the sheep to the Society sales. The Society does run spot checks.
- Your lambs must be tagged according to DEFRA (or equivalent governing body) and Society rules
- The final closing date for receiving applications to register 2024 born ewe lambs is 31<sup>st</sup> December. Note the registration price increases after 31<sup>st</sup> October. Please see chart below for the fees. It is cheaper to do them online/spreadsheet rather in paper form.
- Paper registrations can only be accepted up to 31<sup>st</sup> October.** Thereafter all registrations must be completed online or emailed as a spreadsheet.

## Why Register Your Ewe Lambs?

The Lleyn Sheep Society requires members to register ewe lambs in the year of their birth.

- Ewe lambs you intend to retain in your flock must be registered. Otherwise, you will not be able to register their future progeny.
- Ewe lambs to be sold at Society Sales must also be fully registered before the Sale (and must, be correctly identified with their Society and Defra (or equivalent) compliant tags).
- Ewe lambs to be sold as shearlings, sold from home, online etc. It can be very advantageous for sheep leaving your flock to be fully registered. Registration of your ewe lambs is a small price to pay for their long term future breeding registered Lleyn. Your buyers will have the confidence that they are buying genuine pure-bred registered Lleyn sheep, who should perform as Gold Standard Lleyn and whose progeny can be registered by their new owners.

## HOW TO REGISTER YOUR 2024 EWE LAMBS

The Society's preferred option is online (Grassroots) or by using a spreadsheet.

### Option 1

Online Via Grassroots - Online Flock Book and Registry

The deadline for this option is 31st December 2024. <https://breeds.grassroots.co.uk/LLEYN>

You can download a step to step guide on how to register you ewe lambs via the Online Grassroots from the Society website – Ewe Lamb Registration page

Online/Grassroots - all Society members have an individual access code for the Online Flock Book and Registry.

If you don't remember your code, it appears at the top of page 1 of this document.

### Option 2 - Emailing a Spreadsheet

A spreadsheet can be created manually or via your on-farm software. It is recommended that you speak to the Society Office if creating for the first time to help you set off on the right track. Please read these SPREADSHEET INSTRUCTIONS FOR REGISTRATION on the Society website - Ewe Lamb Registration page, before you start entering information on your spreadsheet.

**NOTE:** tag number format matters. Please save the spreadsheet with your name and flock number

This is an example of how a EWE LAMB REGISTRATION SPREADSHEET should look like when completed.

Ear Tag No	Sex	Date of Birth (DD/MM/YYYY)	Ram/Sire UK Tag Number or IE Tag	Ewe/Dam UK Tag Number or IE Tag	Litter size (1/2/3/4)
UK0123456 04444	F	01/03/2024	UK0555666 03456	UK0333444 02345	2

A EWE LAMB REGISTRATION SPREADSHEET TEMPLATE is available to download on the website for you to enter your own Lleyn Ewe Lamb Registration details.

Please save the spreadsheet with your name and flock number.

The deadline for this option is 31st December 2024.
