CIRENCESTER MARKET

Directions:

Situated off the A419 Swindon to Gloucester Road taking the Spine Road Junction signposted to South Cerney and the Water Parks, take the sharp bend exit signposted Driffield and the market is located 250 yards on the right-hand side adjacent to Mole Valley Farmers Stores.

Contact Details:

Cirencester Livestock Market,
Cotswold Agricultural Centre, Driffield Road, Cirencester, GL7 5QA

Tel: 01285 869911

Holding Number: 14/052/8001

Lydney Office: 01291 680068

Oldbury Office: 01454 269486

Method and Order of sale:

All sheep to be sold in catalogue order. All females will be sold in pounds and all rams sold in guineas.

Conditions of Sale:

The sale is held subject to the Auctioneer's General terms and Conditions of Sale and to the Auction Conditions of Sale recommended for use by the Livestock Auctioneers Association (LAA). The Conditions are available to those purchasers who wish to view them. All lots are sold as seen and without warranty of any type unless specifically stated. In attending the Sale purchasers are deemed to have full knowledge of and to abide by the Sale Conditions, detailed at the commencement of Sale.

Catalogue Entries:

The auctioneers reserve the right to alter, amend or remove any lots or numbers up to the morning of the sale. Whilst every effort has been made to ensure that the descriptions are accurate no guarantee is given or implied. Buyers should note that lots may be withdrawn, and other lots added prior to the sale day. Buyers are advised to contact the Auctioneers prior to the sale to confirm a particular lots inclusion since the Vendor nor the Auctioneers will be responsible for abortive expenses in respect of withdrawn lots. We cannot guarantee that the lotting order will not change.

Payment Terms:

Purchasers wishing to pay by cheque **who are not known to the Auctioneers** are asked to contact Mr Anthony Pritchard on 01285 869911 or Jon Pullin on 07736 800760 to discuss references. We accept debit cards in settlement of your purchase (subject to surcharge and signal) but not credit card. Purchasers can make arrangements to pay via BACS automatic bank credit transfers. Arrangements should be made for this prior to sale. Due to the requirements of the Money Laundering Regulation 2017 we regret that we are **unable** to accept payments for goods in cash where the total transaction (including VAT) exceeds £7,500, as a single or multiple item payment.

Settlement and Clearance:

Settlement in full is due to the Auctioneers immediately at the conclusion of the sale, no asset may leave from the Sale Premises without an official Pass & Sheep Movement Licence obtainable only from the Auctioneers upon settlement and all stock should be cleared from the sale premises on the day of the sale. Transfer of ownership does not pass to the buyer until payment is cleared but becomes the risk of the buyer at the fall of the hammer. We reserve the right to hold back any item sold until clearance of any payment.

Any unsold lots requires an Unsold Sheep Movement Licences from the market office to leave the market.

Important:

The Auctioneers and their clients accept no liability for any damage or injury to persons or plant and all attend the sale at their own risk.

Breed Characteristics

The Ideal Lleyn

(Revised May 2016, and supersedes all previous details of the Lleyn breed)

HEAD	Distinctive and feminine; warm white in colour; wide forehead; good length from eye to nose, straight to slightly dished and narrowing towards the nose; bright lively eyes; black nose.
EARS	Medium size & thickness and black spots desirable; base preferably starting from the wool.
NECK	Average length, well set on shoulders.
BREAST	Wide and well forward.
SHOULDER	Well set.
RIB	Long and well arched.
BACK	Good length.
LOIN	Broad; well joined at rump, well set tail.
LEGS	Average length, with no wool lower than the hock. Colour warm white.
BONE	Well set.
TAIL	The tail should be docked according to current legal practice.
WOOL	Containing no kemp, of good length, dense and of high quality. Excessive peeling/stripping of wool is discouraged within the breed.
RAMS	Hornless.

The aim of the Lleyn Sheep Society is to maintain the Lleyn sheep as a medium sized ewe with highly respected maternal traits which suit today's commercial sheep producer.

IMPORTANT NOTICE

Prospective buyers should please note that, whilst all female sheep have been inspected to the best of the panels ability, it is in your own interest to carefully select sheep that are compatible with your own pedigree breeding or commercial requirements.

Please note that ram certificates shall not be issued by the society at the time of sale but should it be required, the buyer can request certificates directly from the vendor.

The onus lies with the buyer as regards this matter.

NEW MEMBERS OFFER

New members who join the Lley Sheep Society in 2025 and buy stock through society sales are able to register up to 10 ewe lambs free of charge in 2026.

LLEYN SHEEP SOCIETY – CONDITIONS OF SALE FOR UK SALES

- This sale is held under the auspices of the Lley Sheep Society.
- There are additional conditions over and above the market L.A.A. Conditions of sale.
- A complete copy of these conditions is available from the Society office, Market Office and Society website – www.lleynsheep.com
- It is advised you read and understand these conditions before purchasing.

Ram Fertility, Animal Health & Disputes can be seen in paragraphs 25 to 35.

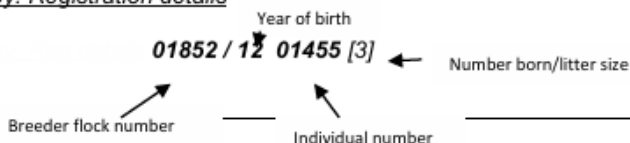

Guidance to buyers

24. *No rams or ram lambs shall be sold for a price less than 400 guineas. Ewe lambs are not subject to restriction and will be sold in pounds.*
28. *If a ram has been used, or semen retained, the owner must declare it in the catalogue or at the time of sale. It is up to the buyer to ascertain this before purchasing.*

37. *Prospective buyers should please note that whilst all females have been inspected to the best of the Inspection Panel's ability, it is in your interest to select carefully the sheep that are compatible with your pedigree breeding or commercial requirements.*
38. *For the benefit of buyers, the definitive year letters are as follows: 2021 – 21; 2022 – 22, 2023 – 23, 2024 – 24, 2025 – 25, 2026-26*

There is a percentage of Lleyn Flocks **Performance Recording**. Please note the indexes given out at the time of sale are a representation of these flocks only and not the whole breed. It is the responsibility of the prospective buyers to understand this information.

Key: Registration details

Purchasers of MVA Stock

If you have purchased MVA stock from a registered MVA flock to put into your own MVA registered flock, please note that SRUC rules state those animals should be tested within 12 months of purchase.

Gimpering – Accredited ewe lambs may be purchased and sold as accredited gimmers the following year under some circumstances. In summary:

- The ewe lambs may join an established accredited flock. In this case they are treated as added accredited animals (see Rule 6.2), and require an added accredited animal test 6 to 12 months after joining the flock, or before sale if this is earlier.

OR

- The ewe lambs are set up as a separate fully biosecure group. The group retains accreditation, but lose it if they are not all tested by 13 months after establishing the group (the test is due in 6-12 months, plus the one month grace period routinely added to all health certificates). If sold before the group has been established for 13 months, they can be sold as accredited with no additional testing.

THE LLEYN BREED — THE SHEEP OF THE FUTURE

A medium-sized maternal sheep breed originating in the Lleyn Peninsula in Northwest Wales, almost unknown in the 1960s, but now widespread across the whole British Isles and beyond. The Lleyn Sheep Society was formed in 1971 and its dynamic promotion of this excellent breed has resulted in Lleyn being one of the most numerically important maternal breeds in the UK.

Medium Sized and Easily Handled

The Lleyn ewe is smaller in size (65-85 kg) than other breeds used to produce prime lamb but is capable of rearing more than her own body weight of lambs at 14 weeks. This enables a higher stocking rate to be achieved, maximising kg of lamb produced per Ha.

Outstandingly Maternal and Productive

The Lleyn ewe mothers her newborn lambs without any fuss, but with great enthusiasm, whether she is an older, experienced ewe or a ewe lamb lambing for the first time. She is an excellent milker and her lambs are remarkably quick getting to their feet and suckling, particularly important when lambing outside in less-than-perfect-weather conditions!

Pure-bred, Cross-bred and Carcase Quality

The Lleyn ewe delivers outstanding maternal performance and efficiency, whether bred pure or crossed with any terminal sire. Pure-bred twins can be ready for slaughter at 14-16 weeks of age and with highly satisfactory carcasses (R3L or better).

When crossed with a terminal sire, the cross-bred lambs grow and grade extremely well (typically Es and Us).

Lleyn Rams

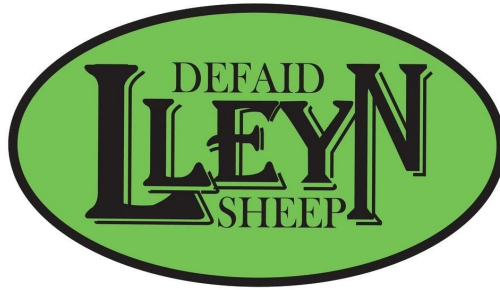

Lleyn rams are widely used for crossing on other breeds, particularly hill and upland breeds to increase lambing percentage of the resultant breeding ewes and to improve carcass quality. Lleyn rams have also been successfully used for the same reasons on commercial crossbreds with too-high terminal content.

Buy with confidence

You can have confidence in stock you buy at a Lleyn Sheep Society Sale. All stock are inspected pre-Sale for Health and Type. All rams have been inspected by the Society Ram Inspector and are licensed for life.

Some stock will have Posters indicating that they come from LLEYN GOLD flocks and some stock will have DNA Posters indicating that the animals have been DNA genotyped for specific characteristics (health, prolificacy, conformation)

Lleyn Sheep Society Cirencester Annual Sale 2026

**Please note that the Show before the Sale will be at 9.00 am on
the morning of Saturday 12th September 2026**

Judges for the Show:

Females – Mr & Mrs Paul & Sarah Eckett
