Ram Inspections/Registration 2021 (Form RR1)

I writing to you today as it is proposed to undertake the ram inspections during June/July. We will however be monitoring the situation and we will inform you immediately if the circumstances changes. Members are asked to send in their applications (forms enclosed or via online Flock Book & Registry or send a spreadsheet) for registration/inspection as usual, noting the venue (see below) you intend to take the rams. Please note we are operating with two different closing dates for the different centres. **Only complete applications with full payment will be accepted. Late entries will not be accepted (hence will not be eligible for registration).**

What You Need to do Now to Notify your Shearling (2020 born) Rams for Inspection/Registration

- Enter your rams for one of the below inspection centres, either via the Online Flock Book & Registry, send a spreadsheet or use the enclosed forms.
- Note the Rules and regulations can be viewed online or please contact the office to obtain a copy.
- If you intend to use the Ram DNA Scheme to obtain gene information you must enter your rams online or by a spreadsheet. Sorry paper application forms cannot be accepted.
- Ensure the correct payment is sent to the office, (preferably by BACS) by the closing date. UK members = £30 inc. VAT (Ireland members = €35 net VAT or €42 inc VAT – depending on your VAT status)
- Note the closing date for SHEARLING RAM APPLICATIONS (see last column below)
- **LATE ENTRIES WILL NOT BE ACCEPTED and will NOT BE ELIGIBLE FOR REGISTRATION**
- The Society should be in a better position to advise members after the closing date how we will proceed with these inspections and registrations for this year.
