Guidelines

Advert Sizes

The Handbook is A5. Full page adverts should be 148mm x 210mm with 3mm bleeds all round. If you are creating your own artwork and require the advert to have a white border or it is not a full page please set all artwork to the below sizes:

Full page – 130mm wide x 190mm high

Half page – 130mm wide x 85mm high

Images

Images downloaded from the internet will not be good enough for print. Also copy right issues may mean you do not have permission. For the best quality, images should be 300dpi (resolution).

Please give consideration to the photos you are using. Look long and hard do they do you and the Lleyn justice. If you looked at that photo as a potential customer, would it make you purchase from this flock?

File Formats

Complete advert designs are best sent over in PDF. This will ensure accurate output of the file. Please note PDF files cannot be amended at this end.

If you are sending copy for an advert to be put together, please send text in word format and images as jpeg.
